### **REASONS FOR ALLOWANCE**

1. Claims 1-15 are allowed.
2. The following is an examiner's statement of reasons for allowance:
3. The aforementioned claims are allowable over the Cited Prior Art (CPA), Data et al. (U.S. Patent 6,351,812), because the CPA does not teach nor suggest all the limitations in the independent claims 1, 6, and 11, and the subsequent dependent claims.
4. The CPA does not teach nor suggest a method, system, or a computer program product, which after sending a basic authentication data to a second computer from a first computer, including a certificate and a credential, generating, at the first computer, individual authentication data which provides a self certificate including a validity status data and a credential which is for permitting a second type of access by the first computer to an application provided by the second computer, wherein the individual authentication data unit is signed by a key associated with a public key, so that the second computer can verify authenticity of the additional authentication data unit by using the first user's public key that was received with the basic authentication unit.
5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
